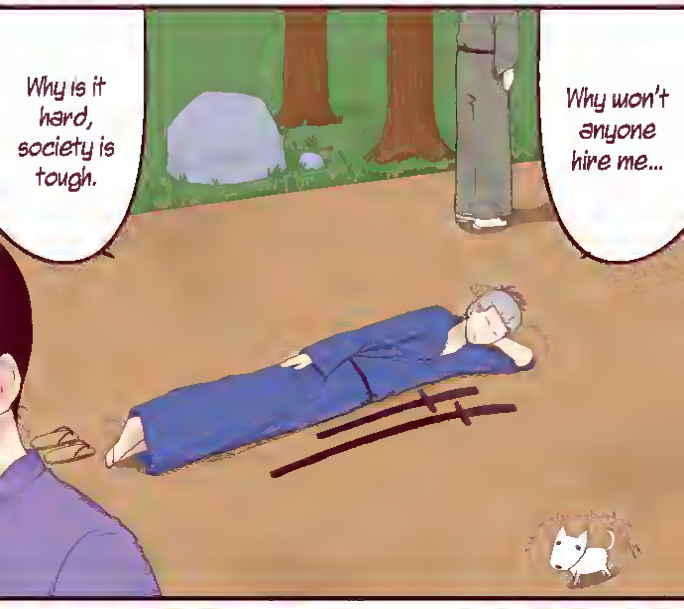
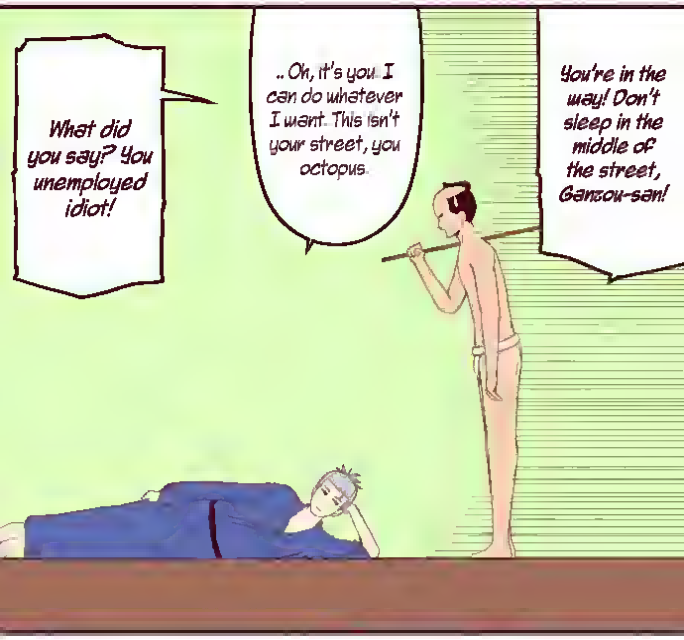
Ahh...
I'm so hungry...

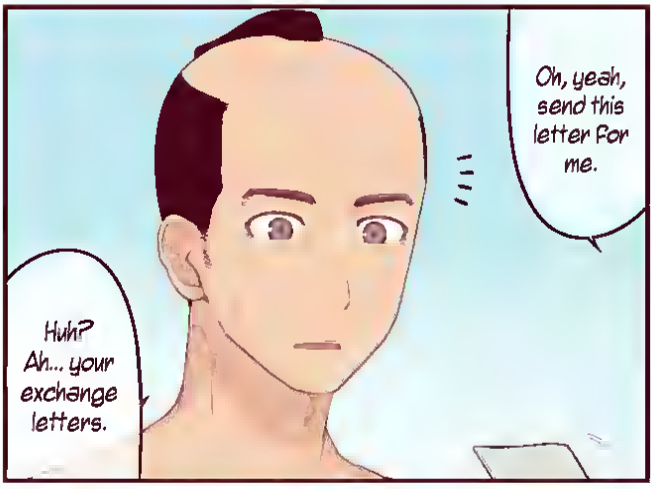
Me hungry.



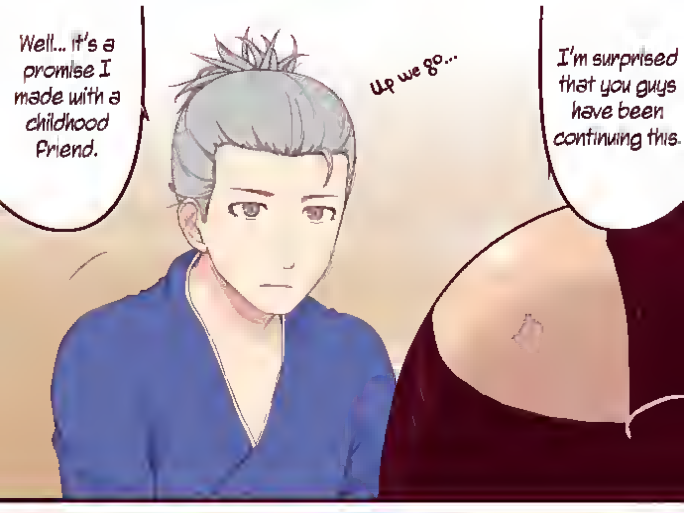
Why is it hard, society is tough.
Why won't anyone hire me...



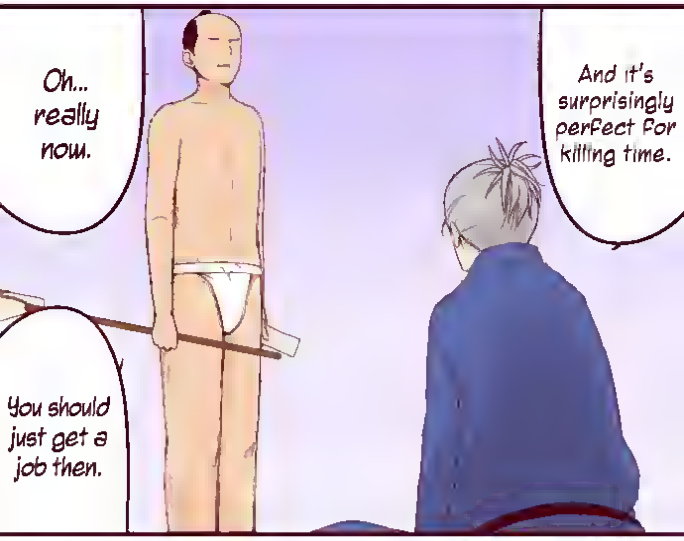
What did you say? You unemployed idiot!
.. Oh, it's you. I can do whatever I want. This isn't your street, you octopus.
You're in the way! Don't sleep in the middle of the street, Gonzou-san!



Oh, yeah, send this letter for me.
Huh? Ah... your exchange letters.



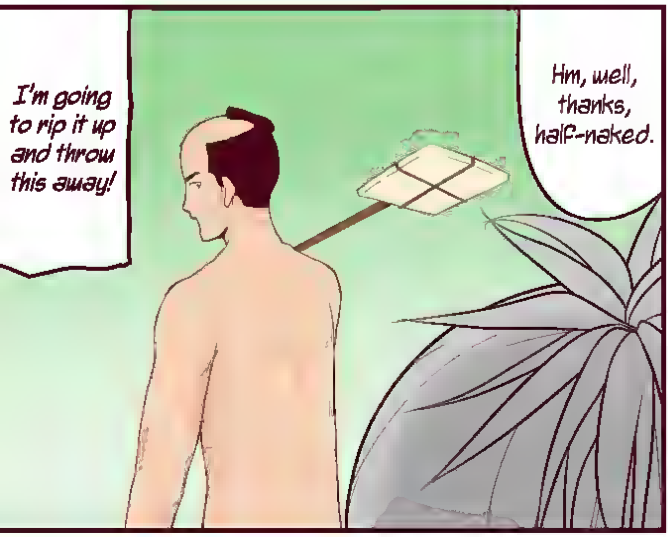
Well... it's a promise I made with a childhood friend.
Up we go...
I'm surprised that you guys have been continuing this.



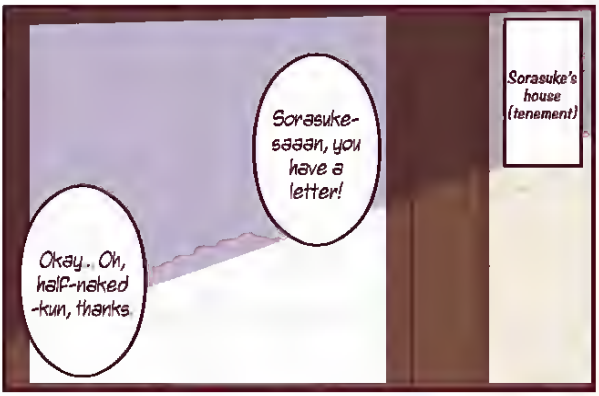
Ah... right... sorry...

You're jealous because you have zero friends...

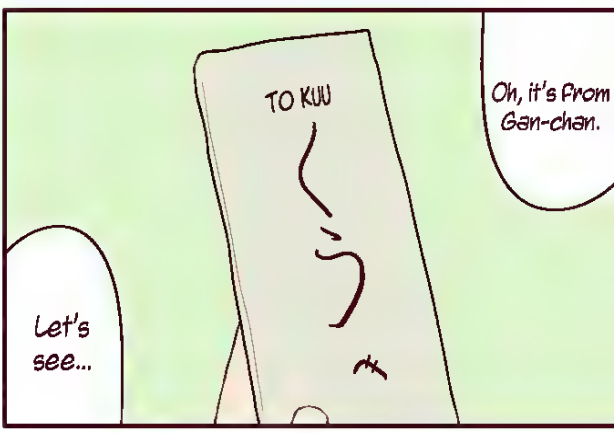
I have friends! 1...2...3... I have a few, okay!



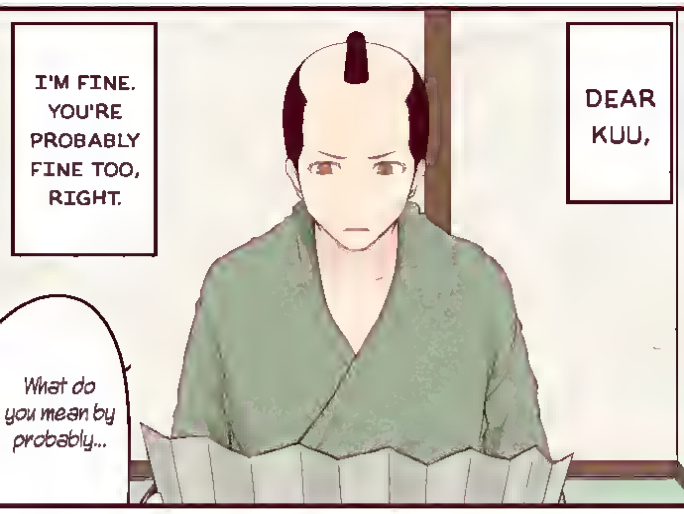
Why don't you try! I'll make you completely naked!!
I'm kidding! I'm off!



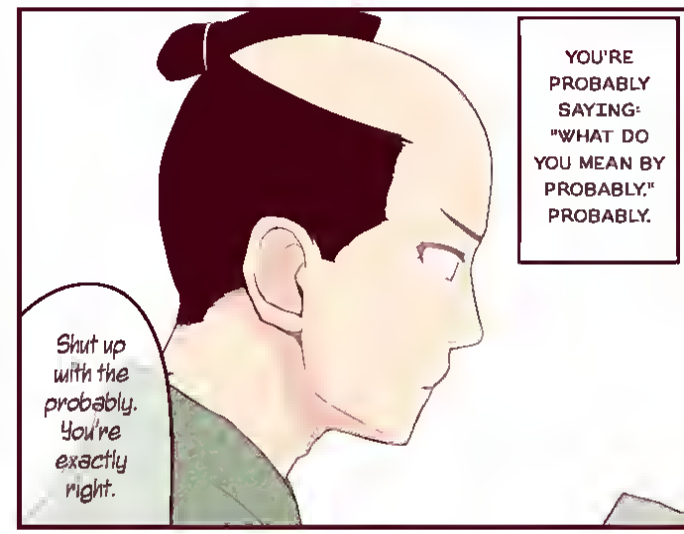
Sorasuke's house (tenement)
Sorasuke-saaan, you have a letter!
Okay.. Oh, half-naked -kun, thanks.



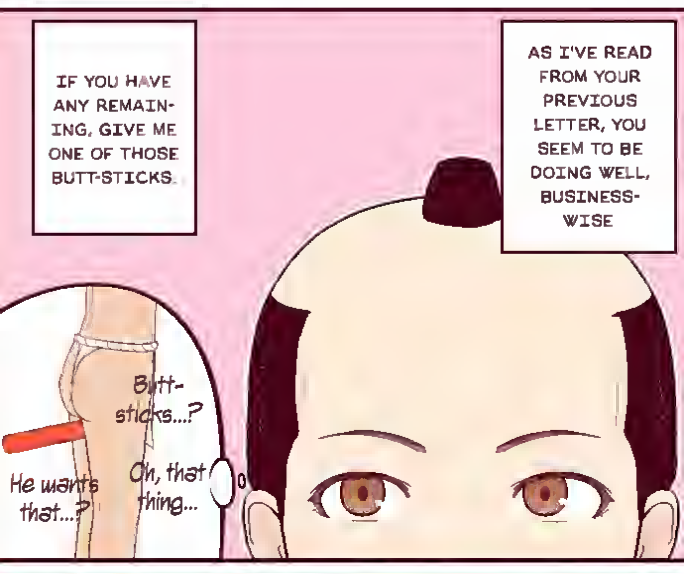
TO KUU
Oh, it's from Gan-chan.
Let's see...



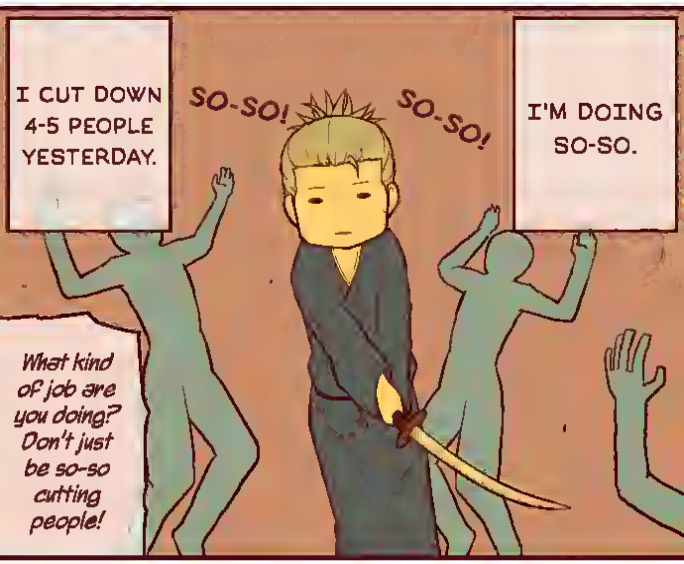
DEAR KUU,
I'M FINE. YOU'RE PROBABLY FINE TOO, RIGHT.
What do you mean by probably...



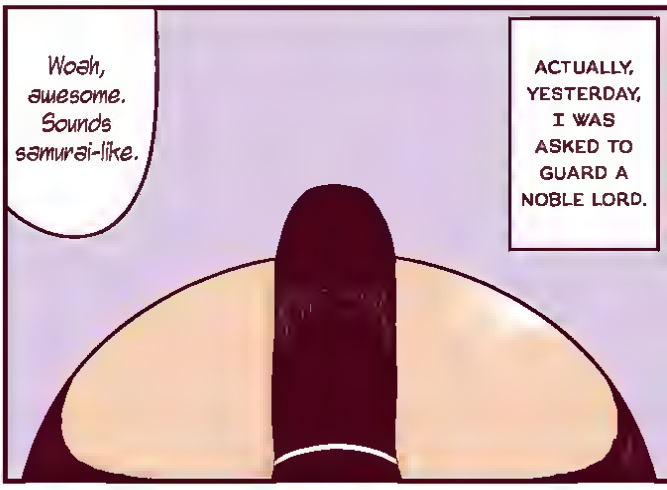
YOU'RE PROBABLY SAYING: "WHAT DO YOU MEAN BY PROBABLY." PROBABLY.
Shut up with the probably. You're exactly right.



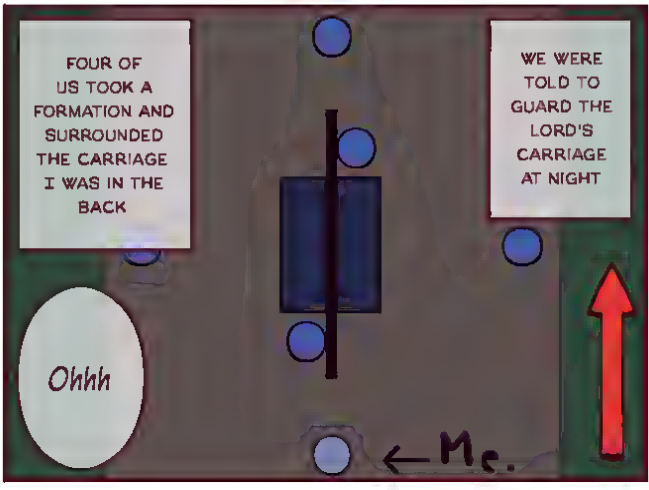
AS I'VE READ FROM YOUR PREVIOUS LETTER, YOU SEEM TO BE DOING WELL, BUSINESS-WISE
IF YOU HAVE ANY REMAIN-ING, GIVE ME ONE OF THOSE BUTT-STICKS.
Butt-sticks...?
He wants that...?
Oh, that thing...



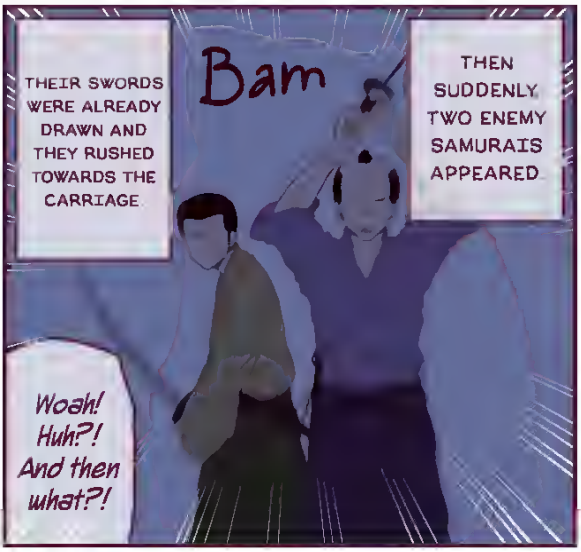
I CUT DOWN 4-5 PEOPLE YESTERDAY.
SO-SO!
SO-SO!
I'M DOING SO-SO.
What kind of job are you doing? Don't just be so-so cutting people!



Woah, awesome. Sounds samurai-like.
ACTUALLY, YESTERDAY, I WAS ASKED TO GUARD A NOBLE LORD.



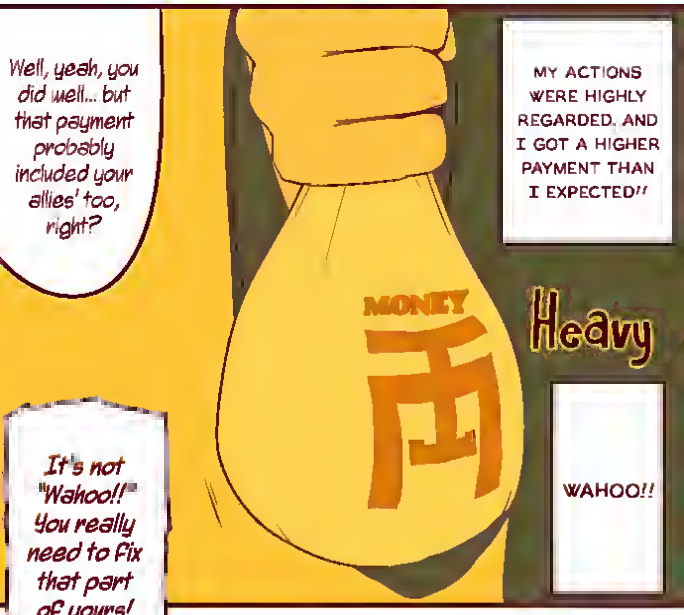
FOUR OF US TOOK A FORMATION AND SURROUNDED THE CARRIAGE I WAS IN THE BACK
WE WERE TOLD TO GUARD THE LORD'S CARRIAGE AT NIGHT
Ohhh
←Me.



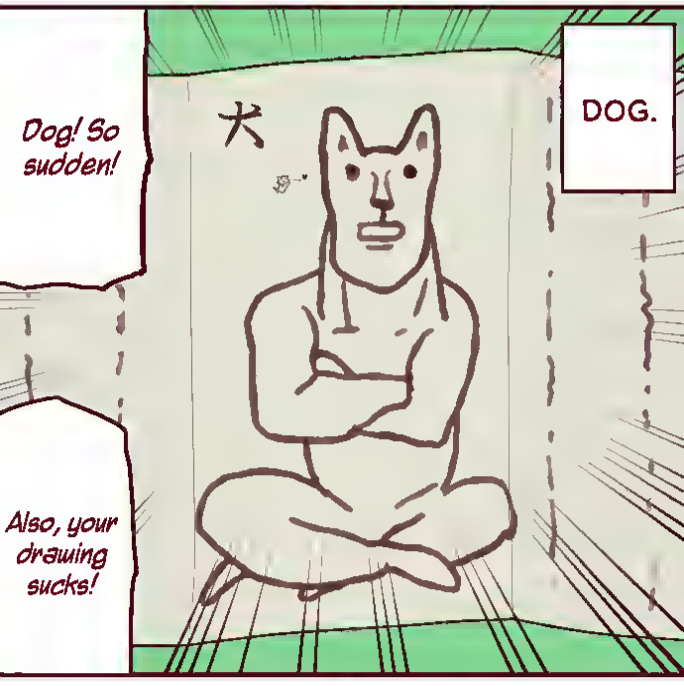
THEIR SWORDS WERE ALREADY DRAWN AND THEY RUSHED TOWARDS THE CARRIAGE.
Bam
THEN SUDDENLY, TWO ENEMY SAMURAIS APPEARED.
Woah! Huh?! And then what?!

HOWEVER, I WAS ABLE TO CALMLY DRAW MY SWORD
IT WAS SO SUDDEN THAT THE REST OF THE GUARDS WERE UNABLE TO ACT
AND CUT DOWN THE ENEMY ONE BY ONE.

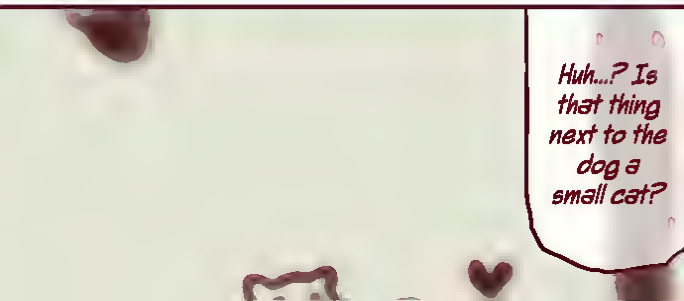
WHEN EVERYTHING WAS OVER, I WAS ALONE, NEXT TO A HEAP OF CORPSES I SLAYED.
That's amazing... but wait... there were only two right? A heap...
Ah... wait... you did it huh...
You definitely killed a few of the guards! More than half of the 4-5 people you killed were probably your allies!



Well, yeah, you did well... but that payment probably included your allies' too, right?
MY ACTIONS WERE HIGHLY REGARDED. AND I GOT A HIGHER PAYMENT THAN I EXPECTED!!
MONEY
Heavy
It's not "Wahoo!!" You really need to fix that part of yours!
WAHOO!!

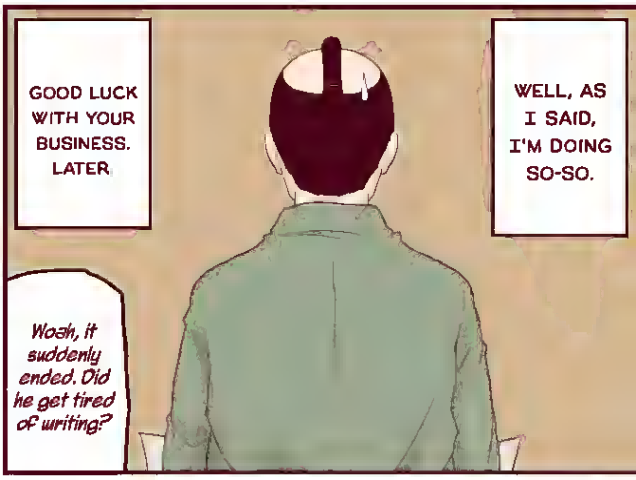


Dog! So sudden!
犬
DOG.
Also, your drawing sucks!

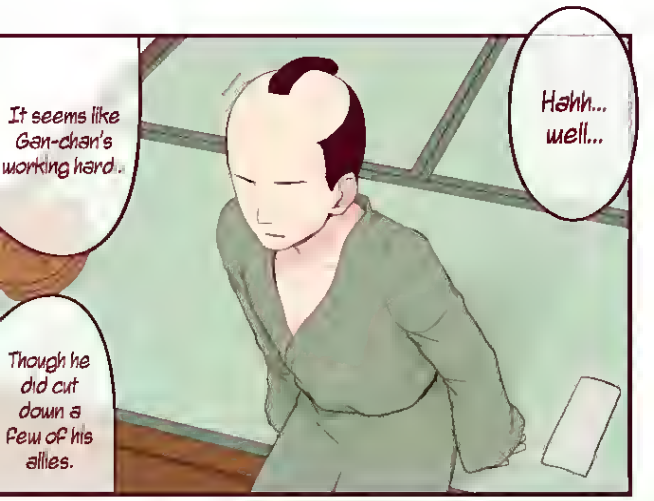


Huh...? Is that thing next to the dog a small cat?

Is it falling in love?! Don't do it man, that dog's no good!

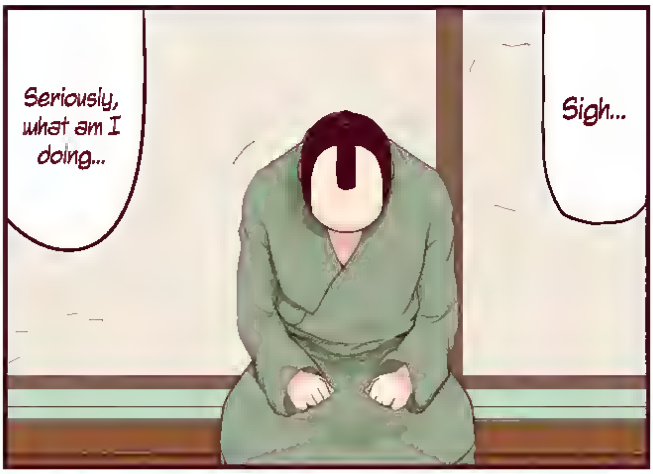


GOOD LUCK WITH YOUR BUSINESS. LATER.
WELL, AS I SAID, I'M DOING SO-SO.
Woah, it suddenly ended. Did he get tired of writing?

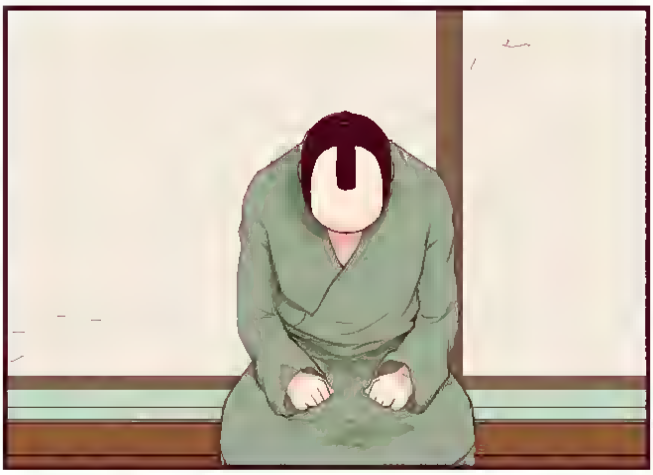


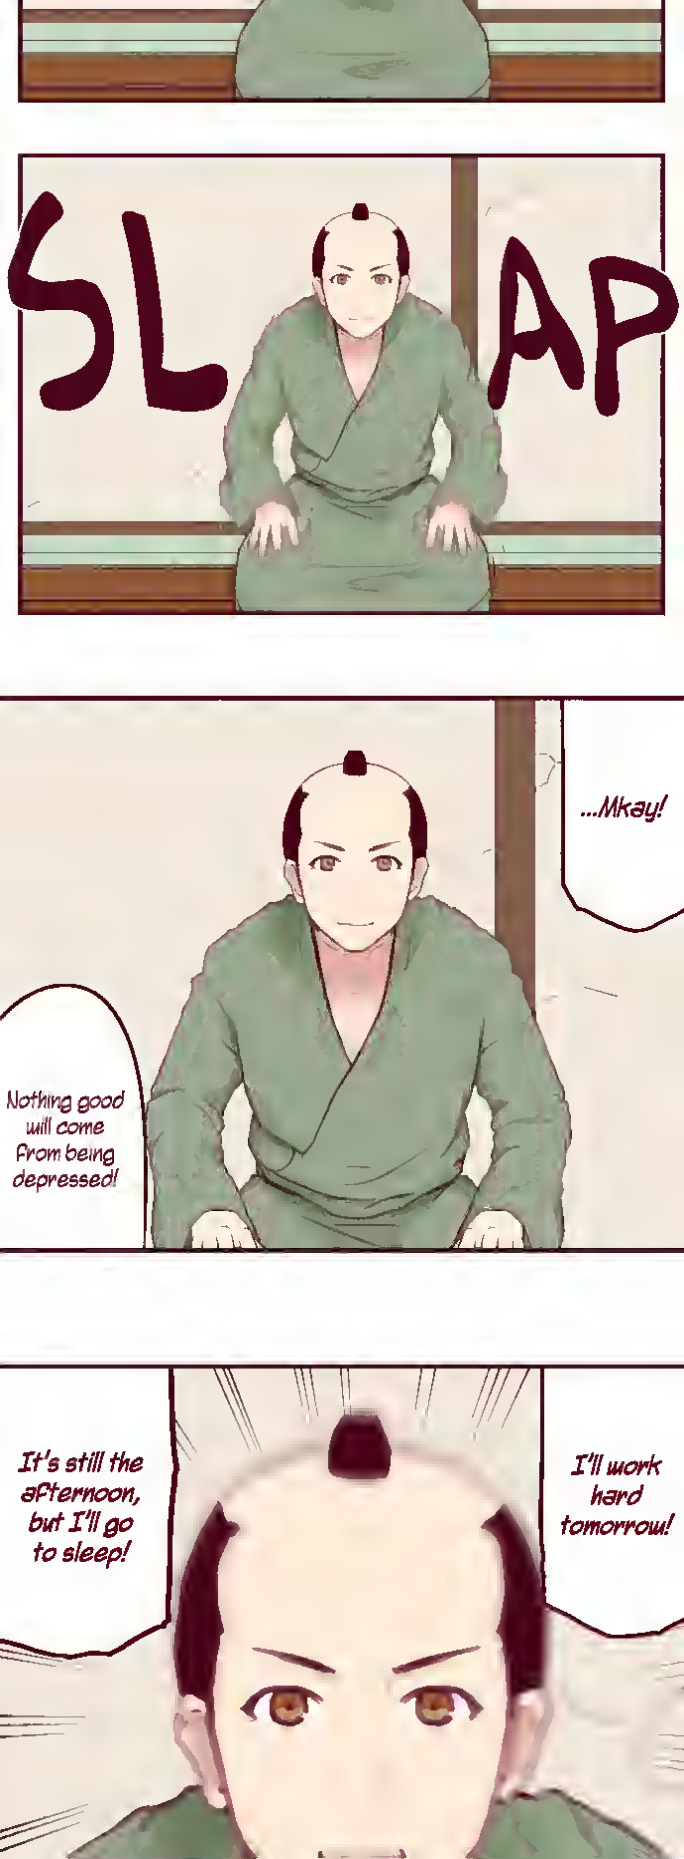
It seems like Gen-chan's working hard..
Though he did cut down a few of his allies.
Hahh... well...

On the other hand... I'm lazing around everyday.
And I'm in debt due to gambling...

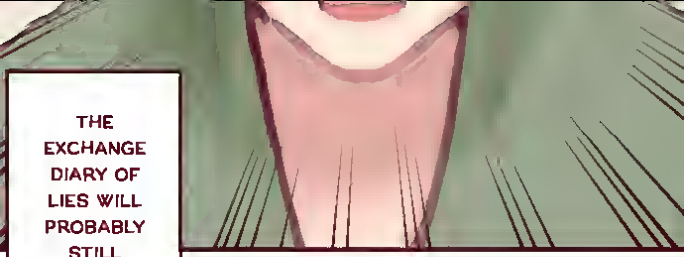


Seriously, what am I doing...
Sigh...





SLAP
...Mkay!
Nothing good will come from being depressed!
It's still the afternoon, but I'll go to sleep!
I'll work hard tomorrow!



THE EXCHANGE DIARY OF LIES WILL PROBABLY STILL CONTINUE..
